About us

Pakeke translated means Elderly, and the team at Pakeke support the elderly in our community by offering our clients companionship, trust and laughter, and ensuring they enjoy their days at the centre. This is reflected in the Pakeke Centre Mission Statement:

"We aim to support older people to live independently in the Community by offering activities which enhance their quality of life."

Volunteers

Our co-ordinators are supported by a team of volunteers who are the backbone of our organisation and we appreciate the vital service they provide. Our volunteers tell us that working at Pakeke Centre is an enjoyable and rewarding experience. We provide training and support, so please contact us if you would like to become a volunteer.

Support from volunteers for the following roles would be most welcome:

- **Centre Volunteers** who assist with program activities, nutrition and general well-being of our clients
- **Van Volunteers** who are on a roster system collecting and returning clients to their homes on centre days

All our volunteers are Police checked.
